SIR THOMAS RICH'S
Provider Access Statement

This statement sets out the school's arrangements for managing the access of Providers to students at the school for the purposes of giving them information about the Provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Our students are entitled in Year 7 to 13:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a Careers programme which provides information on the full range of education and training options available at each transition stage.
- To hear a range of local providers about the opportunities they offer, including technical education and apprenticeships
- To understand how to make applications for the full range of academic and technical courses.

A provider wishing to request access should contact directly our Head of Careers (Mrs Manning, jam@strs.org.uk). The Head of Careers will help to determine the suitability and appropriateness of a provider request. Each individual request will be considered carefully often after consultation with the school's Senior Management Team. Access will be given for providers to attend during school assemblies, timetabled Careers lessons, and Careers events that STRS arrange. The School will provide an appropriate venue depending on need. All rooms can have computers, projectors and screens provided. The Careers Leader will work with the provider to ensure the facilities are appropriate to the audience. We will also consider live online encounters with providers on request. Parental involvement is encouraged, and parents may be invited to attend the events to meet the providers.

Year group	Autumn term	Spring term	Summer term
Year 7	Look@myjob assemblies (GB 1, 2, 6) Careers lessons (GB 1, 2, 3)	Look@myjob assemblies (GB 1, 2, 6)	Look@myjob assemblies (GB 1, 2, 6)
