

Parents Association Refreshment Rota

The Parents Association organise a rota of parents to provide refreshments at various functions throughout the school year. As a volunteer, you are given the choice of events to help at each term. I then send the rota out to everyone. The vast majority of events involve volunteers working together with other parents to provide the required refreshments and therefore you get the chance to meet other parents from different year groups as well as getting to know some of the staff. It is an excellent opportunity to help the school provide a service which otherwise would not be available and which is greatly appreciated by Mr Morgan and the staff.

Please support the school by joining the rota and complete the form below providing us with your contact details.

Name : _____
Pupil Name & Class: _____
Home Telephone: _____
Mobile Telephone: _____
E-mail: _____

Please return to the Refreshment Coordinator, c/o the School Secretary or email the information to Corinne Goatley (refreshment coordinator) at cgoatley@btconnect.com

Thank you 😊
