Dear parent

Re: 1st Year A Level Maths Textbook

Your son / daughter will be working from the Pearson Edexcel textbooks for Mathematics this year. We have enough copies for use in school but are not supplying one to each student to take home. They have access to the online version through Pearson's ActiveLearn platform and have been given details of how to use this.

Some students have expressed an interest in having a hard copy of the textbooks themselves. I have contacted the publisher and they are willing to extend the discount from our previous order. This year, your son / daughter will be working from the following:

Edexcel AS and A Level Mathematics: Pure Mathematics Year 1

RRP: £19.99

Edexcel AS and A Level Mathematics: Statistics and Mechanics Year 1

RRP: £9.99

I will be able to supply these as a **2 book package for £20**

If you would like to take advantage of this offer, please complete the reply slip below. Payment can be made online or via reception. I will need confirmation and payment by **25th September** in order to apply the discount.

Yours sincerely

K Jobson
Head of Mathematics

Return to reception

1st Year A Level Maths Textbook

Pupils Name..... **Form**.....

I/we enclose cash/cheque for £20.00 made payable to STRS or I have paid online
