Show My Homework - Year 13 Parents

Dear Parent/Guardian,

As you may be aware, after a successful year of using Show My Homework for pupils in Years 7 to 11, the School has decided to extend this to Sixth Form pupils and their parents. In case you are unfamiliar with it, Show My Homework is an online tool which helps you and your son or daughter to keep track of homework and assignments set by the School. Show My Homework is now up and running for Year 13 and will be the main way that teachers communicate homework to pupils.

In order to register as a parent on Show My Homework, you will need a *Parental Sign Up Code*. You will find this code, along with some further guidance, on [Parent Gateway](#). Once you are signed up to Show My Homework, the guidance [here](#) will help to get you started.

I have already sent an email to all Year 13 pupils to let them know how to access Show My Homework themselves. The access to the service is different for pupils and parents and it is important that each uses the correct method for signing in to be able to access the relevant features.

For both parents and pupils, there is an alternative way to view any homework set by visiting <https://sirthomasrichs.showmyhomework.co.uk/school...>. This page, which shows all of the homework that has been set by any teacher in the school, is particularly useful if you have any difficulties logging into your account.

If you have any further questions, please email smhw@strs.org.uk

Kind regards,

Dave Dempsey
