

September 2019

Dear parent

**Re: 2<sup>nd</sup> Year A Level Maths Textbook**

Your son / daughter will once more be working from the Pearson Edexcel textbooks for Mathematics this year. We have enough copies for use in school but are not supplying one to each student to take home. They have access to the online version through Pearson's ActiveLearn platform and have been given details of how to use this. The arrangements are the same as last year.

A good number of students have expressed an interest in having a hard copy of the textbooks themselves. I have contacted the publisher and they are willing to offer a good discount thanks our previous orders with them. This year, your son / daughter will be working from the following:

Edexcel AS and A Level Mathematics: Pure Mathematics Year 2

RRP: £19.99

Edexcel AS and A Level Mathematics: Statistics and Mechanics Year 2

RRP: £9.99

I will be able to supply these as a **2 book package for £23**.

If you would like to take advantage of this offer, please complete the reply slip below. Payment can be made online via the Internet Payments section on the school website or via the accounts office. I will need confirmation and payment by **September 27<sup>th</sup>** in order to apply the discount.

Yours sincerely

K Jobson  
Head of Mathematics
