Day 1- Monday 22nd July 2024

Meet point: *Great Wood Scout Camp, Birks Road, Newby Bridge, Cumbria. LA23 3PQ* (MEET POINT CHANGE DUE TO TIMINGS OF TRAINS with reasoning)

Meet time: 11.30am & hopefully 14.00 latest for those arriving by train.

To ensure students are arriving on time most students appear to be travelling up the night before with parents or carers or they are driving themselves up on the day. It has been brought to our attention that it is difficult to get to the start point for 11.30am by train. If your child is intending to catch the train, we would advise that in order that they get a reasonable rest the night before they should catch the train from Gloucester or Cheltenham which arrives at Windermere at 12.58pm. Please could they organise a taxi prior to their day of arrival to take them to the start point.

We have changed the meet point because we do not want students waiting (potentially in the rain) for other students to arrive. This gives them the opportunity to get settled at the campsite and organise their equipment ready for the expedition the following day. Due to the change in start point it does mean that Ocean Rock have decided to incorporate the Water Sports Training element of capsize on a lake, into Tuesday's activities not Monday. This will not impact on parents or carers directly but is a switch I wanted students to be aware of. This means on Tuesday, the start of the Assessed Expedition itself will be on Foot with a two hour walk to the Windermere lake. On arrival at the lake, they will switch to canoe - students will change into Ocean Rock wetsuits to experience a deep water capsize drill (on the lake). Teams will then get off the water, change into their expedition clothes and continue their journey across Windermere to Low Wray camp.

eDofE Sections

At this point, your child should have completed at least **two** section of their award and all sections should be in progress (If your child has not entered information on the eDofE app and submitted it for approval it will not be in progress- please get them to check). In order to get a section marked off as completed their assessor must submit an assessor's report. Their assessor will need the following information:

- ID number (this is on the eDofE account)
- Level of Award (Bronze, Silver or Gold)
- Section they are assessing (Volunteering, Physical or Skill)
- Timescale (3 months or 6 months at Bronze and Silver, 12 or potential 18 months at Gold)

They will need to submit their report via this link: Assessor's Report - The Duke of Edinburgh's Award (dofe.org)

Please remember parents/caregivers/relatives and under-18s cannot be assessors.

Medications

Please ensure your child has all medications mentioned on Parent Gateway and the Medical Consent with them ready to show Ocean Rock staff at the start point as they will not be allowed to be participant until they have any declared medication with them.

Consent

Shortly you will receive a request for consent email from our EVOLVE trips systems. Please respond to that as soon as possible to avoid chaser email and phone calls prior to the expedition.

Hopefully, this will answer any questions you have but, as always, if you have any queries please email me (cer@strs.org.uk).

Best wishes

Mrs Rigby-Smith
