Focus of the day

The second day of training will focus on micro navigation whilst introducing weight and reviewing their fitness by walking at 4.5 km per hour. The provider will be observing this carefully to see how they cope during this day and giving Mrs Rigby-Smith feedback. Although Ocean Rock will bring 9 Rucksacks with them to help them introduce weight it would be advisable for them to bring the rucksacks they intend to use for the challenge so they can get used to them and ensure they fit correctly. Please can you ensure your child brings a hot flask to drink, layers of walking clothing, walking boots, waterproofs, gloves, hat and scarf. If they have a compass please can they bring it but maps **will** be provided.

Just so you are aware I will not be in attendance but they will be supported during the day by the provider Ocean Rock who I will have direct contact with throughout.

Best wishes

Mrs Rigby-Smith
