Finance

Challenge Fee

Individuals who reach final selection for the Ten Tors Challenge will also be expected to pay the split cost of a team for the Ten Tors Challenge. This cost supports the Army to run the event safely and effectively for all students involved.

Please be aware the Army have invoiced us for the team entry cost this month so if your child is part of the final selection decided in April you will be asked for this payment to cover that cost immediately.

Bunkhouse Fee

Due to the Bunkhouse offering a Duke of Edinburgh discount the cost per student is £17. This has been set up on SCOPAY. Could this be paid before the end of Monday 2 February 2026.

Focus of the days

Day 1

10.00 - On arrival we will pack rucksacks, standard DofE size rucksacks will be expected as we will not be arriving at the bunkhouse until later in the afternoon so they must have all their equipment with them. If students need rucksacks please come and speak to me in G3, F1 or email me at cer@strs.org.uk. Once this is checked they will continue navigation practice on Dartmoor with 'a tempo walk' so we get the team used to completing distance on moorland and at a good pace.

15.30 - Head to the bunkhouse and debrief / set expectations for Monday

Evening- There is a fully functioning industrial kitchen at the bunkhouse. This will be an opportunity for them to all be together to trial foods and meals that they are considering to make on the Challenge itself. Unlike the challenge itself they will have the luxury of using a hob and/or oven if they are considering batch cooking before the challenge but hopefully they will have an idea of the food they wish to have as a team on expedition once they have had free rein in the kitchen.

Note: Please ensure they have packed food for Dinner and Breakfast that is high in calories that they personally like in the unlikely event their recipes once completed are deemed to be inedible by all of them.

Day 2

Micro navigation across Believer Tor concluding at Postbridge at 15.00.
