

Work experience

Dear Parent

As work experience is drawing upon us for this week, I thought it pertinent to give you a few more details about how your child is due to log their experiences.

All students log their work experience through Unifrog, which they have access to on their mobile devices. This website allows them to set objectives for their time on work experience, allowing them to be reflective about the lessons that they are learning regarding skill development and areas of careers that they may find interesting in the future.

It is important for each pupil to remember that at the end of the week the employer will be asked to rate their skills and their qualities; therefore, we expect pupils to commit and give their utmost effort to make this week as successful as possible.

In addition to the digital logging that students can do, they have been issued with a physical work experience journal. I have supplemented this with a digital copy on Satchel One for anyone who has misplaced this. There is a deadline to submit this to their tutor by 29 April.

We ask that you report student absence not only using the standard procedure of Parent Gateway, but also directly to the company if there are any illnesses or absences for other reasons. If there are any concerns or queries during the week of work experience please do get in touch with me by email (jam@strs.org.uk) or via reception.

Kind regards

Jenny Manning
