

Year 12 Parents' Consultation Evening

Dear Parents

On **Thursday 7 May**, we shall hold our Year 12 Parents' Consultation Evenings.

Making Appointments

This will be a virtual Parents' Consultation Evening using the video meeting facility within the TES (SchoolCloud) Parents' Evening service. You may have used the system for previous Parents' Consultation Evenings, and to access the system, you will need to visit <https://strs.schoolcloud.co.uk/> or use the link from the *Parents* page on the School's website. I attach a full guide to remind you how to make appointments using the system:

[Parents' Guide for Booking Appointments - click here to open](#)

You will not be able to make any appointments for the Parents' Evening until the evening goes live **on Thursday 30 April at 7.30pm**. To log into the system, you will only need your name and email address, along with the name and date of birth of your child. Ensure you enter the details accurately, as the system may be somewhat particular, and the details need to be entered exactly as we hold them on our school systems.

Appointments can be booked up until midnight on Wednesday 6 May.

Arrangements for the Evening

For the evening itself, you will need a device with a camera that is web-enabled and an internet connection to participate. For instructions and requirements for joining video appointments, please see [how to attend appointments over video call](#)

The evening runs from **4.00 pm** until **8.00 pm** for most teachers. Each appointment is five or ten minutes in length, and the system automatically limits appointments to the time slot allocated and does not allow the appointment to be extended; therefore, we ask you to prioritise the issues you wish to discuss within this time limit.

It would be particularly useful for your child to attend the video appointments with you as they are clearly central to the discussions about their progress during Year 12.

Kind regards

David Dempsey
