

Y9 Exams Final Reminder

[This email has an attachment - click here to open](#)

Dear Parents

Please find attached the examination timetable. I know this has already been sent to you, but I wanted it to send a quick email to clarify the process for Monday and the week ahead.

Pupils should meet in the main school quad on Monday at 8:30am. They will be registered in their examination. This should remain the same for the remainder of the week. Pupils will sit two examinations in Session A and then return to lesson for Period 3, following break time. During Period 3 they will be expected to revise and will need to bring materials for this. They will then sit a further examination in Period 4 before having lunch and attending Period 5 as normal. On Monday afternoon pupils should be prepared to do Games. However, other Period 5 lessons next week will be used for revision. On Thursday, after their second examination, they should be ready to return to normal lessons and have the correct equipment for those lessons.

Having had Year 7 and 8 examinations this week, please can I urge you to ensure your son has the following equipment for all examinations: black pens (bring spares), HB pencils, eraser, pencil sharpener, calculator, ruler and geometry set. These should be in a clear pencil case/plastic bag. Water/non-sugary drinks may be brought in, but these should be in a clear bottle with no labels. Spare equipment will not be handed out.

All examinations will take place in the Hall, unless a pupil has an Access Arrangement in place for a laptop for that subject, or an alternative room arrangement, in which case those exams will be in B5. Pupils with these arrangements should go to B5 rather than lining up in the quad before their examinations.

I would urge the boys to enjoy the weekend; get outside and enjoy the sunny weather, play sport and watch the World Cup! A little bit of final revision will help but coming in on Monday refreshed and relaxed will definitely help them more ahead of a tough week.

Kindest regards

Nick O'Neil

Head of Year 9 and 10
