[Information Evening PowerPoint - click here to open](#)

Dear Parents

Following our Year 12 Parent Information Evening on Thursday 10 September, we would like to share with you the PowerPoint used for the talk and the information contained within for future reference. It was great to see so many of you at the talk and we hope that you had the opportunity to meet with your son or daughter's tutor after the presentation.

As discussed by the Headteacher, many parents and alumni like to support the School with a regular payment. By pledging a regular donation, even a small amount, you can make a significant difference over time. We have witnessed over the years how consistent support from parents has enabled the School to plan and implement long-term projects and initiatives with a lasting impact. The development fund has funded an array of projects such as a new sound system for musical and drama performances in the school hall, to the refurbishment of the science labs. Please click [here](#) to set up a regular payment if you feel able to make a contribution. If you have any questions, or would like further information, please contact Vicki Lynn (Development Director) – [vl@strs.org.uk](mailto:vl@strs.org.uk)

We also attach with this communication a welcoming letter from Ms. Hughes, our study centre supervisor and academic mentor, which outlines the support she can offer to our students with their A Level studies.

As we said on the evening, our current Year 12 have made a significant achievement in securing a place at Sir Thomas Rich's, and have made a fantastic start to the year.

Kind regards

A Williams

Alun Williams

Head of Sixth Form.
