

Inclusion Strategy Parental Survey

Dear Parent

As part of our ongoing commitment to strengthening our inclusive ethos and ensuring that every pupil can thrive, we are currently developing our school's Inclusion Strategy.

The Department for Education (DfE) guidance requires schools receiving the Inclusive Mainstream Fund to publish an Inclusion Strategy on their school website by 31 December 2026. The strategy will outline how we identify and address barriers to learning and participation while continuing to develop inclusive practice across the School.

We are keen to ensure that our strategy reflects the experiences and perspectives of our whole school community. We therefore want to gather the views of staff, parents and pupils to help us recognise what we do well and identify opportunities to further enhance our inclusive provision.

We would welcome your support by completing this short survey: [Parental Inclusion Questionnaire – Fill in form](#)

We would be grateful for your feedback by Tuesday, 3 November 2026, to allow us sufficient time to consider responses and finalise our strategy ahead of the publication deadline.

Thank you for your continued support

Kind Regards

Jo Loveridge
