

Wet Weather Games Afternoons

Dear Parents

As we move into the winter months and wetter weather becomes more frequent, we kindly ask that your son bring **both rugby boots and trainers** for their games afternoons.

Rugby boots are essential for outdoor sessions, as the pitches will become soft and wet, and appropriate footwear is necessary for safety.

Trainers are also needed in case the weather forces us indoors, where boots are not permitted.

Having both options available ensures your son can participate fully, whatever the conditions.

In addition, when rain is forecast, students should bring an appropriate waterproof contact top or suitable wet-weather outer layer to wear over their games shirt. While we will move activities indoors when conditions make this necessary, there may be occasions when we remain outside, and having suitable kit will help ensure students remain comfortable and able to participate fully throughout the afternoon.

Thank you for your support and cooperation.

Kind regards

Jamie Payne
